From The Greater Concord Area: From Main Street in Concord, heading south, at Pleasant Street bear right. Follow Pleasant Street for two blocks; at the second set of lights, bear left, this is South Street. Follow South St. for 2.5 miles, passing through a set of traffic lights at McKee Square (Corner Grille Restaurant on right). Go straight through and continue past the Conant and Rundlett Schools on your right. At next 4-way stop sign, go straight. The building is about one mile beyond the stop sign on the left. Enter the parking lot on the left just before the Merrimack Savings Bank. Building is the brick building on left. Use main entrance taking elevator to 2nd floor.

From Rte. 93 North or South: Use exit onto Interstate 89, travel for 1/8 of a mile, then take Exit 1 into Bow NH. At the bottom of the ramp, take left. This is now South Street. Travel for 1/4 of a mile passing The Hampton Inn and the Baker Free Library on your right. Pass Merrimack Savings Bank also on the right hand side. Take the next right into the parking lot after the bank. 501 South Street is a three-story building with brick façade. Use main entrance taking elevator to 2nd floor.

From Interstate 89: Take Exit 1 into Bow, at the bottom of the ramp, take left; this is South Street. Travel for approximately 1/4 of a mile passing the Hampton Inn and the Baker Free Library on your right. Pass Merrimack Savings Bank also on the right hand side. Take the next right into the parking lot after the bank. 501 South Street is a three-story building with brick façade. Use main entrance taking elevator to 2nd floor.
